

What is your opinion on having a pet?

SAYS

I want to know more information before buying a pet

I want a pet.

I will take care of it.

The pet recommendatory sounds interesting, I might give it a try.

THINKS

I am concerned, because I should take care of the pet.

Wondering whether he/she is going to have enough time for the animal.

It is going to be expensive.

DOES

Buys pet without being properly informed.

Puts the pet into shelter, when they realize that it is not compatible

Asks the pet shop owner questions about pet before buying one

FEELS

Feeling excited about new pet

Anxious whether made the right pet choice

Curious about the new animal
